

Passover

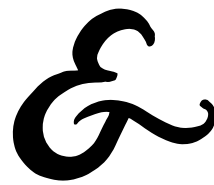

The Israelites were slaves in Egypt. God saw how badly they were treated and sent 10 plagues to warn Pharaoh to let the Israelites go. The 10th plague was the plague of death.

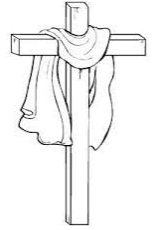

God told the people to paint the blood of a spotless lamb over their doors to protect themselves from death. This was called Passover because the last plague passed over the houses that had painted doors.

After Passover, the Israelites were set free from Egypt.

Resurrection Sunday

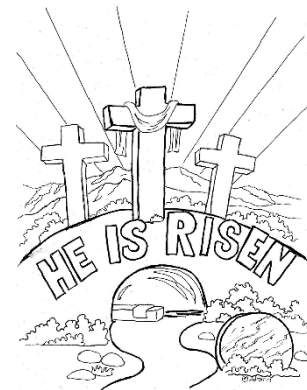

The Bible says anyone who doesn't follow Jesus is a slave to sin.

What is sin? Sin is anything we do that is not right. God's word tells us the right things to do. Sin hurts us and hurts those around us.

*"For all have sinned
And fall short of
the glory of God."
Romans 3:23*

Jesus is called The Passover Lamb. He died on the cross and rose again. When we ask Jesus to forgive our sins and we follow Him, the blood He shed on the cross protects us from death. We will get to live with Him in heaven forever!

When we follow Jesus, His Spirit helps us turn from sin as we follow Him each day. Some ways we can follow Jesus are reading our Bible, praying, and by spending time with other Christians in fellowship.
